

Order your Flu Vaccines for winter 2021/22 **now** to ensure supply

All orders will be supplied on a first come, first served basis

Please **order as soon as possible** so that we can pre-book your stock with the manufacturer when we place our order, as there may be limited allocation from the suppliers.

How do I place an order?

Please complete this form, then scan and email to

customerservice@ahps.co.uk

You **will receive a confirmation email** from our Customer Service team confirming your order. If you do not receive this, please call us on **0345 222 3550** or email **customerservice@ahps.co.uk**

If there is a shortage of flu vaccines, you will be placed on a preferential waiting list and informed of this via email.

When will I receive the vaccines?

Orders will be dispatched and invoiced in Autumn 2021.

Our Customer Services team will contact you upon receipt of the vaccines to confirm your requirements and make arrangements for delivery.

For further information about flu vaccinations and the people who are recommended to have them, please refer to the to the online 'Green Book of Immunisation' - chapter 19:

(<https://www.gov.uk/government/collections/immunisation-against-infectious-disease-the-green-book#the-green-book>)
